**MEMBERSHIP ELIGIBILITY**

Any person of good character, regardless of sex, race, religion, creed, or nationality, may apply for SCSC membership. Applications for membership are submitted to the Membership Chairperson. Applicants may be sponsored by an SCSC member in good standing, assuming the sponsor has known the applicant for a minimum of one (1) year. Applicants without a valid sponsor may apply for membership only after consenting to a criminal background check and paying the associated fees. The Membership Chairperson will provide the consent form, obtain approval from the applicant plus fee and submit request for a background check. Should the background check uncover negative findings as defined in the signature section of the application, the SCSC Board will be notified and a decision made to continue or decline the request for membership. If declined, the application will be dropped and the applicant notified of the decision. The applicant can request reconsideration within 30 days by providing a written statement to the SCSC Board.

All applications for membership are presented to the SCSC Board of Directors at their next regular meeting (held the third Wednesday of each month). The Membership Chairperson shall receive, log, track and present the applications. If the application is decline by the board, the applicant will be notified. The applicant's name and sponsor (if sponsored) will be published in the RECOIL (newsletter) prior to presenting them for a membership vote at the next regular membership meeting. Applicants will be invited to attend a membership meeting. The applicant and their sponsor (if sponsored) must be present to be voted in. The sponsor shall introduce the applicant to the membership and tell a little about them. Applicants without a sponsor will introduce themselves to the membership and share their reason(s) for joining. A two-thirds (2/3) vote is required from the membership present for acceptance. All members must maintain an active membership in the NRA (National Rifle Association). Upon renewal of SCSC membership, a new membership card will not be issued until current NRA information is provided. Failure to renew NRA membership by the July board meeting will result in termination of membership. When Regular membership limits have been reached, applicants must join as an Associate and be placed on a waiting list, if they choose to upgrade. When a Regular position is available, the next most senior Associate (upon payment of the balance of initiation fee), will be upgraded to a Regular Membership. All new members are required to fulfill sixteen (16) hours of work per year for the first two (2) years of membership.
