**MEMBERSHIP ELIGIBILITY**

Any person age 18 or older and of good character, regardless of sex, race, religion, creed, or nationality may apply for SCSC membership. Applications for membership are submitted to the Membership Chairperson. Applicants may be sponsored by a SCSC member in good standing, assuming the sponsor knows the applicant. Applicants without a valid sponsor may apply for membership after consenting to a criminal background check. (Note: Law enforcement and other background check credentials may be submitted). The applicant will complete and sign the consent form and pay the appropriate fee. Should the background check uncover negative findings, the SCSC Board will be notified and a decision made to continue or decline the request for membership. If declined, the application will be dropped and the applicant notified of the decision. The applicant can request reconsideration within 30 days by providing a written statement to the SCSC Board.

All applications for membership are presented to the SCSC Board of Directors at their next meeting the third Wednesday of the month. The Membership Chairperson shall receive, log, track and present the applications to the board. If the application is decline by the board, the applicant will be notified and can request reconsideration within 30 days. The applicants name and sponsor (if sponsored) will be published in the monthly membership meeting minutes and distributed to the membership. Both the applicant and their sponsor (if sponsored) will be invited to attend the next membership meeting the first Wednesday of the month. The sponsor shall introduce the applicant to the membership and say a few words about them. Applicants without a sponsor will introduce themselves to the membership and share their reasons for joining. A two-thirds (2/3) vote is required from the membership present for acceptance.

All members must maintain an active membership in the NRA (National Rifle Association). Upon annual renewal of SCSC membership, a new membership card will not be issued until current NRA information is provided.
